WRIGLEY PACKAGE

It is the talk of the town-not only the way the Cellophane wrapping protects all the original, full-flavor of Wrigley's Gum, but also the easy way it opens. Just unwind the red tape which removes the end cap ... the Cellophane wrapping remains to protect the gum.

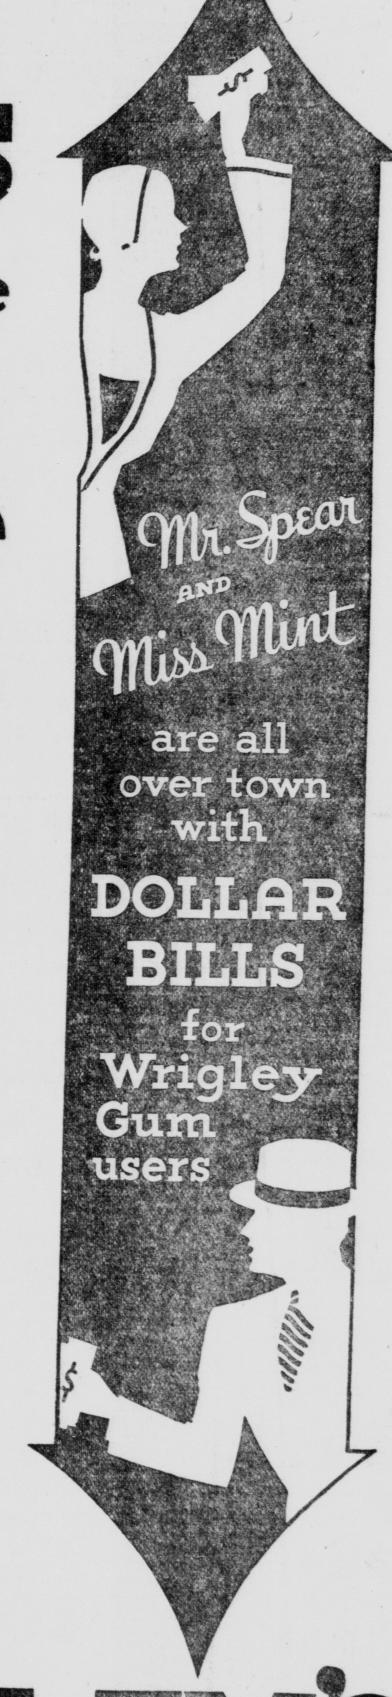

Mr. Spear and Miss Mint with their assistants are also making a big hit. In homes, apartments, offices, stores, shops, and public buildings, they are paying crisp new Dollar Bills - for personal opinions about Wrigley's Gum in the new Cellophane wrapping.

Hundreds of times a day they ask these questions, "Have you an opened package of Wrigley's Gum?" and "How do you like it?" But they are instructed not to pay for volunteered opinions. They pay a dollar only to those they approach.

HOW TO GET READY FOR THEM

Try any one of the four popular Wrigley flavors in the new, Cellophane package. Note how wonderfully well the full, rich, original deliciousness has been kept for your enjoyment. What brisk, lively flavor - and how refreshing!

When Mr. Spear, Miss Mint or one of their assistants approaches you, prove to them that you have tried this Cellophane - wrapped gum. (An opened Cellophane package of Wrigley's Gum in your purse or pocket will be accepted as positive proof.) Just tell them frankly what you think of it and you'll be paid ONE DOLLAR for your opinion.

West Pittsburg Atop Ladder As Contest Climb Grows Steeper

West Pittsburg's Boy Scout Troop No. 1, sponsored by a group of citizens of West Pittsburg, are leading the race in the Lawrence County Council Boy Scouts of America Troop Efficiency Contest. They have 678 points. New Castle Veteran Troop 15 are second with 480 points. The New Castle District Field Meet and Court of Honor gave the troops an opportunity to increase their points and thus change their standings in the contest. The October Field Meet and Court of Honor for the Ellwood City District will be held during the first part of November due to other scheduled events preventing the above events being held during October. This gives the Ellwood District an opportunity to increase their points in the contest.

The first lap of the race ends on Monday, October 31 and since there are two more laps in the race, all of the troops have a chance to gain in the contest. The standings of the various troops up to noon, Saturday,
